## TERMS AND CONDITIONS related to this schedule of fees

1. All Fees quoted are in Australian dollars.
2. Annual Fees for the forth coming year are due 14 days prior to the expiry date of the Certificate of Compliance and Product Schedule.
3. Application Fees and the first year's Annual Fees are payable on acceptance in writing of the application by **CSI**. Payments are required to be made in advance of the initial certification service being provided.
4. The Application Fees and Annual Fees apply to one standard and any number of models or range of products included in the one Type Test report.
5. Applications which do not progress to full certification within 12 months will be automatically cancelled.
6. All Fees paid are non-refundable.
7. Australian based companies making payments on behalf of a client manufacturing outside of Australia, are required to pay applicable GST taxes imposed by the Australian Taxation Office. Refer to Australian Taxation Office Good and Services Tax Ruling, GSTR 2000/31 for further details.
8. International clients are required to pay **CSI** the full amount invoiced. Additional local taxes, charges and bank transfer payment fees are the responsibility of the client. Payments shall be made within 14 days of service to minimise exchange rate fluctuations.
9. Charges related to product Type Testing at a recognised test laboratory are the responsibility of the Client. Should the Client request **CSI** to arrange Type Testing at a recognised test laboratory on their behalf, costs plus an administrative fee of 10% will be charged by **CSI**, payable in advance.
10. **CSI** reserves the right to schedule the delivery of a service to ensure the costs associated with the delivery of the service are recovered from the fees paid by the client. Where an Applicant or Client requires an un-scheduled visit, any additional costs associated with the service provision are the responsibility of the Client.
11. A Business Review is of 1 day duration for the first product standard, additional product standards at the same site may add one ½ day per standard. A Business Review shall be conducted once per calendar year at the Client's certified manufacturing location/site. Any increase in the frequency of a Business Review will be documented; additional costs associated with the increase in service delivery are the responsibility of the Client.
12. **CSI** reserves the rights to change the terms and conditions of this Schedule of Fee's at any time by written notification.
